

Wanted for a Major Community Project in Bungay

Singers! Singers! Singers! Singers!

Artistic Fields, in collaboration with **The Black Shuck Festival**, is presenting a brand new piece of theatre at this year's festival, **Sunday August 4th** .

The Journey

Composer **Will Drew-Batty** has created an exciting new piece, **The Journey**, which will be put together in one day with professional singers and rock musicians. The legend of Black Shuck's visit to Bungay and Blythburgh is well-known but what of his journey between the two places? **A Giant choir is required to help tell the story, actually on the 447th anniversary of the day the event took place!**

We need **singers of all ages**. Experienced singers are, of course welcome, but **anyone who enjoys singing, performing and creating new music is encouraged to take part**. This will be an important community event. All music will be learnt on the day during the workshop and will include rock, folk and improvisational styles supported by a band of experienced instrumentalists and vocal soloists.

Commitment: Sunday 4th August only

Time: 11 – 4.30 – Workshop 7.30 – Performance

Venue: St Mary's Church Bungay
